

Part 1: practical task 1:

Git version:

A terminal window with a dark background and a purple border. The title bar shows a folder icon, the username 'joshuaiyinkanmi', and the terminal name '-zsh' with dimensions '80x24'. The terminal content shows the last login time, the user running the 'git --version' command, and the output 'git version 2.39.3 (Apple Git-146)'.

```
joshuaiyinkanmi@Joshuas-Laptop ~ % git --version
git version 2.39.3 (Apple Git-146)
joshuaiyinkanmi@Joshuas-Laptop ~ %
```
